

Lumax Auto Technologies Ltd, India and Ituran Location and Control Ltd, Israel Establish a JV to Provide Telematics Solutions to Indian Automotive Industry

14th August, 2017, NEW DELHI/Tel Aviv: Lumax Auto Technologies Ltd part of Lumax DK Jain Group, India and Ituran Location and Control Ltd, Israel announced today the signing of joint venture (JV) agreement for sale of telematics products and services to the Indian automotive industry.

The new JV company is “**Lumax Ituran Telematics Pvt Ltd**”. According to the agreement, Lumax Auto Technologies will own 50% of the joint venture, with Ituran owning the remaining 50%.

The JV will tap into this large market, which currently has low penetration of advanced telematics technology. The JV will sell Ituran’s telematics products and services, adapted to the Indian automotive industry.

Speaking on the occasion, **Mr. Anmol Jain, Managing Director, Lumax Auto Technologies**, said, “The Indian Telematics market is projected to touch USD 300 million by 2021, addressing the need to curb growing vehicle theft, manage increasing organised cab service providers, rising fleets, rising crime against women, road accidents and increasing consumer awareness. In commercial vehicles, telematics will help in determining vehicle downtime, fleet monitoring to reduce unauthorised use of vehicles and check driver behaviour. The customer base will include OEMs, Fleets, Aftermarket, Insurance companies, State transports etc.”

Eyal Sheratzki, CEO of Ituran commented, “With over 200 million registered cars in the country, the market potential for Ituran is phenomenal. Additionally, the telematics industry in India is in its infancy and working together with Lumax, we believe that we can establish ourselves as market leaders. For Ituran, this is the first joint venture with a large automotive supplier and the first operations centre that Ituran will open in the Asian region. As has been proven in Brazil, Ituran can successfully enter into new markets, leveraging its technology and building a long-term growth engine. We are very excited to start working with Lumax and look forward to, many years of successful growth ahead.”

“The joint venture will capitalise on the strength of Lumax DK Jain Group as a leading provider of automotive components in India, having a good understanding of the Indian customer’s requirements. Together with Ituran, we will work on a business plan to become a significant player in Telematics and on Ituran’s strength in providing technologically advanced products to cater to the evolving requirement of the Indian automotive industry,” said, **Mr. Deepak Jain, Promoter Director, Lumax Auto Technologies**.
